

SNo	Species and subspecies	Wild ancestor	Date	Location of origin	Purpose	Degree and type of domestication	Extent in wild vs captivity
1	Dog (<i>Canis lupus familiaris</i>)	Gray wolf (<i>Canis lupus</i>)	between 30,000 BC and 15,000 BC	Eurasia	Pets, shepherding, working, meat, show, hunting, draft, research, religion, racing, transportation, rescuing, guiding, servicing, herding, guarding, pest control	tame; significant physical and behavioral changes	Very common in captivity, wild relatives are much less common, though not rare. Feral dogs abundant
2	Sheep (<i>Ovis aries</i>)	Mouflon (<i>Ovis orientalis</i>)	between 11,000 BC and 9000 BC	Southwest Asia (Iran)	fibre, meat, milk, leather, pelt, vellum, pets, show, racing, religion, research, guarding, fighting, ornamental	Some physical changes	Common in captivity, threatened in the wild
3	Domestic pig (<i>Sus scrofa domestica</i>)	Wild boar (<i>Sus scrofa</i>)	9000 BC	Near East, China	meat, leather, religion, research, show, racing, fighting, working, pets	Some physical changes	Common in the wild. Much more common in captivity. Feral animals common in some areas.
4	Domestic goat (<i>Capra aegagrus hircus</i>)	Wild goat (<i>Capra aegagrus</i>)	8000 BC	Iran	milk, meat, fibre, working, skin, hair, show, racing, religion, fighting, cleaning, pets	Slight physical changes	Common in captivity, threatened in wild, feral goats common
5	Cattle (<i>Bos primigenius taurus</i>)	Aurochs (<i>Bos primigenius</i>) (extinct)	8000 BC	Europe, Asia and North Africa	meat, milk, leather, hides, working, plowing, draft, vellum, blood, transportation, soil fertilization, fighting, show, pets, religion	Some physical changes	Very common in captivity, wild relatives extinct, feral cattle fairly common
6	Zebu (<i>Bos primigenius indicus</i>)	Aurochs (<i>Bos primigenius</i>) (extinct)	8000 BC	India	meat, milk, leather, hides, working, plowing, draft, vellum, blood, transportation, soil fertilization, fighting, show, racing, religion	Considerable physical changes	Wild relatives extinct, rare in captivity
	Cat (<i>Felis</i>)	African wildcat			pets, pest control,		Very abundant in captivity, true wildcats less

7	silvestris catus)	(Felis silvestris lybica)	8000 - 7500 BC	Near East	religion, show, pelt, research	Tame, some physical changes	abundant though not rare. Feral populations very common.
8	Chicken (Gallus gallus domesticus)	Red Junglefowl (Gallus gallus)	6000 BC	India and Southeast Asia	meat, eggs, feathers, leather, religion, show, racing, ornamental, fighting, pets	Some physical changes	Very common in captivity and the wild
9	Guinea pig (Cavia porcellus)	Montane Guinea Pig (Cavia tschudii)	5000 BC	Peru	pets, meat, religion, show, racing, research	Tame, slight physical changes	Somewhat common in captivity and the wild
10	Donkey (Equus africanus asinus)	African wild ass (Equus africanus)	5000 BC	Egypt	transportation, working, plowing, draft, mount, meat, milk, pets, racing, guarding	Slight physical changes	Somewhat common in captivity and as feral animals, wild animals critically endangered,
11	Domesticated duck (Anas platyrhynchos domesticus)	Mallard duck (Anas platyrhynchos)	4000 BC	China	meat, fat, foie gras, feathers and down, blood, eggs, pets, show, racing, ornamental	Considerable physical changes	Common in captivity, but more abundant in the wild
12	Water buffalo (Bubalus bubalis)	Wild water buffalo (Bubalus arnee)	4000 BC	India, China	working, plowing, draft, mount, fighting, meat, religion, show, racing, milk	Mainly unchanged from wild animal	Somewhat rare in captivity, endangered in the wild
13	Horse (Equus ferus caballus)	Wild horse (Equus ferus)	4000 BC	Eurasian Steppes	transportation, meat working, guiding, servicing, hunting, execution, plowing, draft, mount, fighting, show, weddings, racing, religion, milk, pets	Tame, some physical changes mainly in coloration	Common in captivity, very rare in wild, feral populations common
14	Domesticated Dromedary Camel (Camelus dromedarius)	Wild Dromedary Camel (Camelus dromedarius)	4000 BC	Arabia	transportation, working, hunting, plowing, draft, mount, show, weddings, racing, religion, fighting, milk, meat	Tame, few physical changes	Moderately common in captivity, small feral population in original range, significant feral population in Australia, true wild dromedaries may be extinct

15	Domesticated Silkmoth (Bombyx mori)	Wild Silkmoth (Bombyx mandarina)	3000 BC	China	silk, food, pets, meat	Tame/held captive, some physical changes	Fairly common in captivity, wild extent unclear
16	Domestic Pigeon (Columba livia domestica)	Rock Pigeon (Columba livia)	3000 BC	Mediterranean Basin	show, weddings, messenger, meat, racing, pets	Artificially selected into many varieties, including meat breeds, racing/messenger breeds, and fancy plumage breeds	Relatively common in captivity, very common in the wild, feral pigeons extremely abundant
17	Domestic goose (Anser anser domesticus)	Greylag Goose (Anser anser)	3000 BC	Egypt	meat, fat, foie gras, feathers and down, eggs, show, guarding, pets	Considerable physical changes	Common in captivity and the wild
18	Yak (Bos grunniens)	Wild Yak (Bos mutus)	2500 BC	Tibet	milk, transportation, working, plowing, mount, racing, fighting, meat, fibre	Tame, slight physical changes	
19	Domesticated Bactrian Camel (Camelus bactrianus)	Wild Bactrian Camel (Camelus ferus)	2500 BC	Central Asia	milk, transportation, working, hunting, plowing, draft, mount, fighting, show, weddings, racing, religion, meat, hair	Tame, few physical changes	Moderately common in captivity, critically endangered in the wild
20	Llama (Lama glama)	Guanaco (Lama guanicoe)	2400 BC	Peru	transportation, working, draft, mount, meat, religion, show, weddings, racing, pets, guarding	Slight physical changes	Fairly common in captivity and the wild
21	Alpaca (Vicugna pacos)	Vicuña (Vicugna vicugna)	2400 BC	Peru	milk, transportation, fibre, meat, religion, show, pets, guarding	Considerable physical changes	Fairly common in captivity and the wild
22	Domesticated guineafowl (Numida meleagris)	Helmeted Guinea fowl (Numida meleagris)	2400 BC	Africa	meat, eggs, pest control, show, alarming, pets	Mainly unaltered from wild population	Somewhat common in captivity and in the wild
23	Ferret (Mustela putorius furo)	European polecat (Mustela putorius)	1500 BC	Europe	pets, hunting, pest control, show, racing	Tame, slight physical changes	Common in captivity, somewhat common in the wild. Feral

							ferrets rare
24	Fancy mouse	House mouse (Mus musculus)	1100 BC	China	pets, research, racing, food	Tame, significant physical changes	Common in captivity and in the wild
25	Ringneck dove (Streptopelia risoria)	African Collared Dove (streptopelia roseogrisea)	500 BC	North Africa	show, pets	Slight physical changes	Common in captivity and the wild
26	Bali cattle (Bos javanicus domestica)	Banteng (Bos javanicus)	Date uncertain	Southeast Asia, Java	meat, milk, show, racing, working, plowing, draft	Slight physical changes	Common in captivity, endangered in the wild
27	Gayal (Bos frontalis)	Gaur (Bos gaurus)	Date uncertain	Southeast Asia	meat, religion	Slight physical changes	Somewhat common in captivity, threatened in the wild
28	Domesticated turkey (Meleagris gallopavo)	Wild Turkey (Meleagris gallopavo)	180	Mexico, United States	meat, feathers, eggs, show, pets	Considerable physical changes	Common in captivity and wild
29	Goldfish (Carassius auratus auratus)	Prussian carp (Carassius gibelio)	300–400	China	pets, show, racing, ornamental	Tame/held captive, significant physical changes	Very common and abundant in captivity, wild extent is unclear
30	Domestic rabbit (Oryctolagus cuniculus)	European Rabbit (Oryctolagus cuniculus)	600	Europe	meat, pelt, fibre, pets, show, racing, research	Tame, significant physical changes	Common in captivity, rare in native habitat, common in introduced range
31	Domestic Canary (Serinus canaria domestica)	Atlantic Canary (Serinus canaria)	15th century	Canary Islands, Europe	pets, research, show, mining, fighting	Slight physical changes	Common in captivity and wild
32	Carabao (Bubalus bubalis carabensis)	Wild water buffalo (Bubalus arnee)	17th century	Philippines	working, plowing, draft, mount, fighting, meat, milk, show, racing	Few changes from wild population	Fairly common in captivity, endangered in the wild
33	Siamese fighting fish (Betta splendens)	Date uncertain species of the genus Betta	19th century	Thailand	fighting, pets	Tame/held captive, very significant physical and slight behavioral changes	
34	Fancy rat and Lab rat	Brown rat (Rattus norvegicus)	19th century	UK	pets, research, show	Tame, some physical and psychological changes	Common in captivity and in the wild

35	Koi (Cyprinus carpio haematopterus)	Common carp (Cyprinus carpio)	1820s	Japan	ornamental, show, pets	Tame/held captive, considerable physical changes	Fairly common in captivity, threatened in the wild
36	Domesticated silver fox (Vulpes vulpes)	Red fox (Vulpes vulpes)	1950s	Soviet Union, Russia	pelt, research, pets	Tame, some physical changes	Very small domestic population, wild relatives fairly common
37	Domesticated hedgehog (Atelerix albiventris)	Four-toed Hedgehog (Atelerix albiventris)	1980s	Central and Eastern Africa	pets	Slight physical changes	Common in the wild. Rare in captivity
38	Society Finch (Lonchura striata domestica)	White-rumped Munia (Lonchura striata)	date uncertain	Japan	pets, research	Slight physical changes	Fairly common in captivity and the wild
39	Guppy (Poecilia reticulata some strains)	Guppy (Poecilia reticulata)	Date uncertain	Barbados, Brazil, Guyana	pets	Held/tame in captivity, significant physical changes	Common in captivity
