

Sl. No	Name	Notes
1	Blue Lagoon National Park	A small park in the north of the Kafue Flats west of Lusaka, known chiefly for bird life; one lodge
2	Isangano National Park	East of the Bangweulu Swamps, no facilities, little wildlife
3	Kafue National Park	World-famous for its animals, one of the world's largest national parks, several lodges
4	Kasanka National Park	Privately operated, south of the Bangweulu Swamps, one lodge
5	Lavushi Manda National Park	South-east of the Bangweulu Swamps, no facilities, little wildlife
6	Liuwa Plain National Park	In the remote far west, no facilities but some large herds of animals
7	Lochinvar National Park	A small park south of the Kafue Flats world-famous for bird life and herds of lechwe, one lodge
8	Lower Zambezi National Park	East of Lusaka, offers good wildlife viewing on the Zambezi River; one lodge
9	Luambe National Park	A small park, close to South Luangwa National Park, recovering after previous neglect, one new lodge
10	Lukusuzi National Park	East of Luambe, undeveloped but with potential
11	Lusaka National Park	Opened in 2015, a small park on the south-east side of the capital city Lusaka
12	Lusenga Plain National Park	East of Lake Mweru, no facilities, no easy access, little wildlife
13	Mosi-oa-Tunya National Park (Victoria Falls National Park)	The small park for Victoria Falls on the edge of the city of Livingstone (where accommodation is available), includes a small 'safari park'
14	Mweru Wantipa National Park	No facilities, neglected, little wildlife but has potential for redevelopment
15	North Luangwa National Park	This reserve has no facilities and is closed except to specially-licensed tours
16	Nsumbu National Park (also known as Sumbu)	Once ranked with Kafue and Luangwa, needs redevelopment but has good wildlife potential and offers lakeside game viewing, three lodges
17	Nyika National Park	Famous for its highland scenery and vegetation rather than wildlife; one lodge, but reached from the park of the same name in Malawi
18	Sioma Ngwezi National Park	In the remote far south-west, no facilities but some large herds of animals
19	South Luangwa National Park	World-famous as an icon of African wildlife, numerous lodges
20	West Lunga National Park	No facilities, no easy access, neglected, little wildlife but has potential for redevelopment.
